

PSL

Rules for Ingemartrofén

- All racers in category U12-U16 can start in the PSL race and have to make their entries according to the invitation.
- Only racers are allowed to be inside the fenced start area
- No climbing is allowed
- If the racer falls or stops completely, it entails a maximum time extension
- If a racer interferes with the other racer they will be disqualified

- Qualification as follows:
 - There will be no qualification from the GS and SL races
 - There will be a draw for the starting order for the qualification race
 - All racers will start with 2 qualification races in the PSL course, one race in blue course and one race in red course
 - With equal total time between two skiers in the qualifying competition the fastest time in the last race wins.

- The top 16 racers (best total time) in each category will qualify to the PSL final races, with an 8-pair layout.
- After the qualification races the top 16 racers in each category will have to change bibs
- The best qualified racer in each category will get the bib with the lowest number for that category

- Racer with the lowest bib will start first heat in red course
- Maximum time difference per heat is set to 500 thousands of a second
- With equal total time between two skiers in the PSL final races the fastest time in the last race wins.

- The jury decides continuously through the race, every situation will be decided directly

- No protests during the race will be accepted

Prizes: The top four racers in each category. There will not be any match separating racers placed below the top four racers.
